## A QUESTION OF NOMENCLATURE.

Judge Cooley's *Forum* argument resolves itself to a matter of names. He expresses doubt that a "Provisional" government has the right to transfer a country, over the destinies of which it has acquired guardianship. Naturally he does not affect to deny that a republican, oligarchical or other regular and established form of authority could make an annexation treaty—in which, even all we should have to do in the way of getting jurisdiction would be to reorganize Hawaii under a republican dictatorship, and proceed at once to business.

For example: The present Government, exercising the powers vested in it by a successful revolution, could impose an educational and property tax on the suffrage, following thereby an American State precedent, and call an election to choose the rulers of a Hawaiian republic. As the great preponderance of the wealth and intelligence of these Islands is on the Annexationist side, the result would be a President and Legislature in hearty sympathy with the policy of union with the United States, and fully empowered, as Judge Cooley must admit, to make an Annexation treaty.

In view of this convenient procedure we really fail to see why Royalist editors should raise their cackle over Judge Cooley's essay. If the Judge is right—which is by no means certain—that does not put a stop to the Annexation movement. It simply delays for a short time while the Government changes its name. What advantage that would be to the Royalists is difficult to perceive.

## ANNEXATION'S SOLID BACKING.

We print to-day a complete list of Hawaiian citizens and residents who pay taxes on an excess of \$10,000 classifying each name according to the owner's political views and preferences. To ascertain these the signatures upon the Annexation Club roll have been consulted, personal expressions have been secured, "common fame" has been somewhat relied upon and the services of people of widest acquaintance on the Islands have been obtained to review the roster and perfect its showing. To make assurance doubly sure the STAR has already given the list a wide publicity and has every few days asked its readers to send it any information at their hand which might make the exhibit more complete. Several corrections have been handed in and noted down. As a result we are able this evening to prove the truth of Claus Spreckels' February statement to the San Francisco *Examiner* that a vast preponderance of the wealth of the Hawaiian Islands is enlisted against the Monarchy and on the side of annexation to the United States.

THE Arkansas train, the cow-catcher of which was taken off the engine and put on the rear coach—because, as Mark Twain explained, the train could never catch a cow and it was thought best to keep such animals from climbing into the cars to annoy the passengers, was to steam travel about what the Waikiki tram-cars are to four legged transportation. Eternity is an affair of speed beside the Waikiki tram, and a man on his way to the gallows would beat any car on the line by several lengths to the furlong.

## PERSONAL.

The Duke of Newcastle is expected to arrive on the Alameda.

Wells Peterson is expected to arrive on the next through steamer.

Rev. M. C. Sanders will preach at the 9:45 service at the St. Andrew's Cathedral to-morrow morning. He expects to leave on the Kinau on Tuesday for a trip to the volcano.

H. W. Peck, so well and favorably known in Honolulu as the Secretary of the Young Men's Christian Association, together with his wife and child, will leave on the Warrimoo for Vancouver, B. C., about July 1st.

## Strongly Endorsed.

The advertising of Hood's Sarsaparilla appeals to the common sense of thinking people, because it is true and it is always fully substantiated by endorsements which in the financial world would be accepted without a moment's hesitation. They tell the story—HOOD'S CURES.

Hood's Pills cure liver ills, jaundice, biliousness, sick headache, constipation.

# HAWAIIAN TAXPAYERS.

## A COMPLETE LIST OF THE BIG ONES.

Over Three-Fourths of the Taxes Paid by the Annexationists—Who Pay Over \$10,000.
